

## SUMMER TRAVEL AT LPIA

This summer at LPIA will be busy and exciting! The following tips will make travel through our airport safe and efficient. [LPIA Summer Travel Tips – Know Before You Go!](#)

1. Arrive at the airport 3 to 3.5 hours prior to your scheduled flight departure time.
2. Whether you are vaccinated or not, a negative COVID-19 test result (PCR or Rapid Antigen taken not more than 72 hours prior to travel) and completed Attestation form ([Fillable-Attestation-English-p](#)) is needed for all persons travelling to the United States. This will be required for check in with your airline and tests should be completed prior to arrival at the airport.
3. Checked luggage should be taken to your airline counter. Very Important: Please remove old luggage tags prior to placing a new luggage tag for your destination. If you are travelling to the United States, once you present your checked bag(s) to your airline, an image of your bag(s) will appear on the airline counter video screen to confirm they are checked in for your flight.
4. After check-in, passengers may be directed by an airport ambassador to wait briefly in the airport's Summer Garden Lounge prior to proceeding to airport security screening and United States Customs for processing. This wait is to allow passengers to be processed in order of scheduled departure time. The lounge is a beautiful and comfortable outdoor space with amenities like food and beverage, WIFI, entertainment and limited shopping.
5. Passengers should have their passport and boarding pass available to enter the security screening process. Passengers will be required to remove jackets, belts, shoes and empty pockets, and remove laptops from carry-on luggage for the security screening process.
6. As LPIA is a US Pre-Clearance facility, each passenger will undergo inspection by a United States Customs & Border Protection Officer prior to leaving Nassau. Family members living in the same household can be inspected together. Passengers departing Nassau will not have to clear US customs upon arrival in the United States.
7. Once these formalities are completed you may proceed to your airline gate or enjoy the shopping and dining amenities available in the U.S. Departures Lounge. All gates are within a three-minute walk from anywhere in the Departure Lounge.
